

LEGEND

- Exploratory trench excavated by USEPA in 2002-2003
- Temporary well sampled by USEPA in 2003

Summary of USEPA Site Investigations, 2002-2003

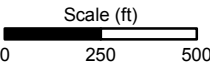

**Sites H and I, July 2002:** Excavation and sampling of two trenches at Site H and four trenches in the western and south-central portions of Site I (see I-T1 through I-T4). Reference: "Letter Report, Sauget Sites H and I, Sauget, St. Clair County, Illinois", Tetra Tech EM, Inc., March 26, 2003.

**Site L, March 2003:** Excavation and sampling of five trenches and collection of groundwater samples at ten locations at Site L. Reference: "Site Investigation Report, Sauget Site L, Section of Sauget Area 1 Site, Sauget, St. Clair County, Illinois", Tetra Tech EM, Inc., June 16, 2003.

**Sites I and N, October 2003:** Excavation and sampling of five trenches at Site N and three trenches at the southeastern portion of Site I (see Site I-T1 through Site I-T3). Collection of groundwater samples at six temporary wells at Site N and one location at Site I. Reference: "Site Investigation Report, Sauget Sites I and N, Sauget, St. Clair County, Illinois", Tetra Tech EM, Inc., November 25, 2003.

Note

See Figure 4-1 for trenches and groundwater sampling locations at Sites H, I, and L.
